Esther 4:7... "Mordechai told exactly how much silver Haman had promised to pay to the King's treasury for the Jews to destroy them." Esther 4:11 "The people of the King's provinces do know that anyone, man or woman, who approaches the King without being called, there is but one law... death; unless the King holds out the golden scepter that he may live." Esther 4: 13-14 "Mordechai commanded to answer Esther, 'Don't suppose that merely because you happen to be in the royal palace that you will escape any more than the other Jews; for if you fail to speak up now, help and deliverance will come to the Jews from another place, but you and your father's family will perish. Who knows that you didn't come into your royal position for such a time as this.'" Esther 4:16 Esther sent word to Mordechai: "...And so will I go into the King, which is against the law, and if I perish, I perish."

Ray Gardner of Ridgeville, SC has been chosen as YHVH's emissary to us, to teach us the significance of the Father's message about the festival of Purim. Ray became interested in early church history after his older brother began to ask him questions that sparked his interest. His study soon pointed him to the Hebraic Roots of Our Faith. This led him, his wife Brenda and son to travel to Israel in 2001. After more than 12 years of intensive study involving the Torah, the Hebrew language and culture, the Festivals, the 'Jots and Tittles', and other anomalies that YHVH has put in His Word, Ray's interest is greater now than ever.

After High School Ray joined the US Army and served 3 years as a photographer, including a year in Viet-Nam. After returning home and marrying He attended USC and was graduated in electrical engineering. At this time he and his wife began leading a singles' Bible study which opened Ray's heart to YHVH's purposes for his life...to learn and to teach of YHVH's ways... To teach His Biblical Truths to Yeshua's hungry returning lost sheep.

Ray has given lectures at local churches on the "Festivals of Messiah" and a series on "Studying the Scriptures like the Disciples." His engineering background has enabled Ray to make detailed charts and timelines as well as drawings of the Tabernacle. Presently he is the Torah teacher of the Messianic congregation Adat Shalom.
